Vicki, have
hope you have
a great summer
and don't get as F
in Geo. Great having you
in my class Randy
Stone

Yesterday has become history
Only memories in our mind,
We travel the road of life
Keyed to the clock of time.

Vicki,

well like you said we will all have to
get together and do something it has
been great knowing you stay your sweet
self and I'll see ya around bts this
summer stay cool Love Paula (798-3639)

In
case
you
forgot
only
kidding

Vicki,

you're really a cute girl and you
have a super personality. Don't change because
if you do, you won't be you. Hope to
see you this summer. Good luck in anything
you do,

Take care

Life is special from
Birth to death,
Fulfilling our
dreams
From nature's
breath.

Vicki -
It seems
kinda dumb
that we weren't
as close 4 years ago as we are
this year! But? Oh well.
There's always next
year! Come see me
a lot in the summer
& we'll have to go party
Best of luck in
everything
Much love,
Les

Opportunities
many and
Challenges great,
Our land has
developed
Despite her ever
growing rate.

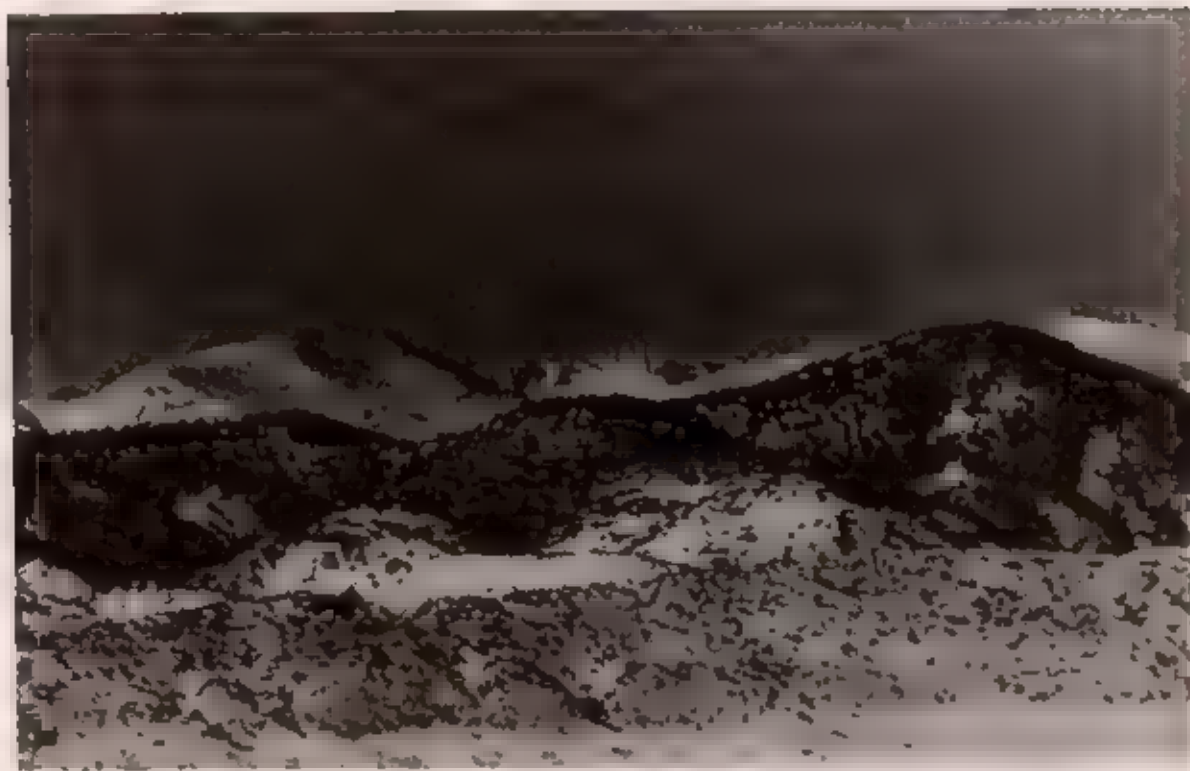

Progress is the fate of
Each generation,
Even though it must come
With hard times and inflation.

Yesterday has
become history
Only memories in
our mind,
We travel the road
of life
Keyed to the clock
of time.

VICKI-
WE HAD A GOOD
YEAR I THINK. I'M
GLAD WE GOT TO
BE BETTER FRIENDS.
I HOPE I SEE YOU
A LOT THIS SUMMER.
LOVE, KRIS

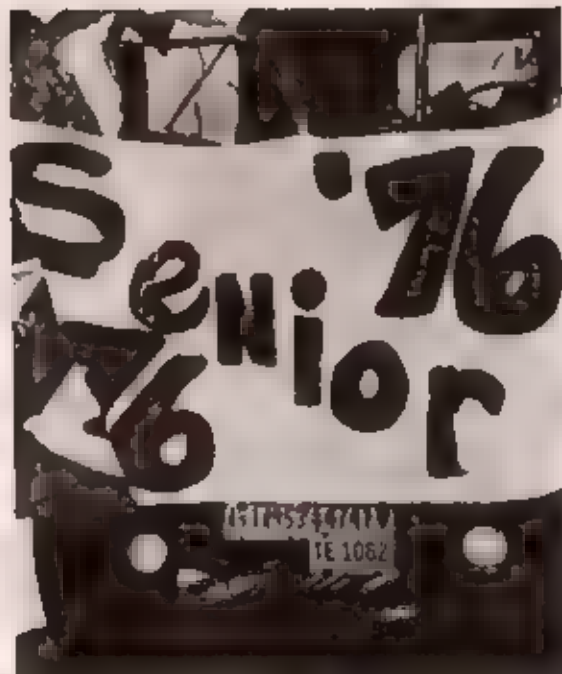

As the history of
yesterday
Will always remain,
So will the
friendships
That we have
gained.

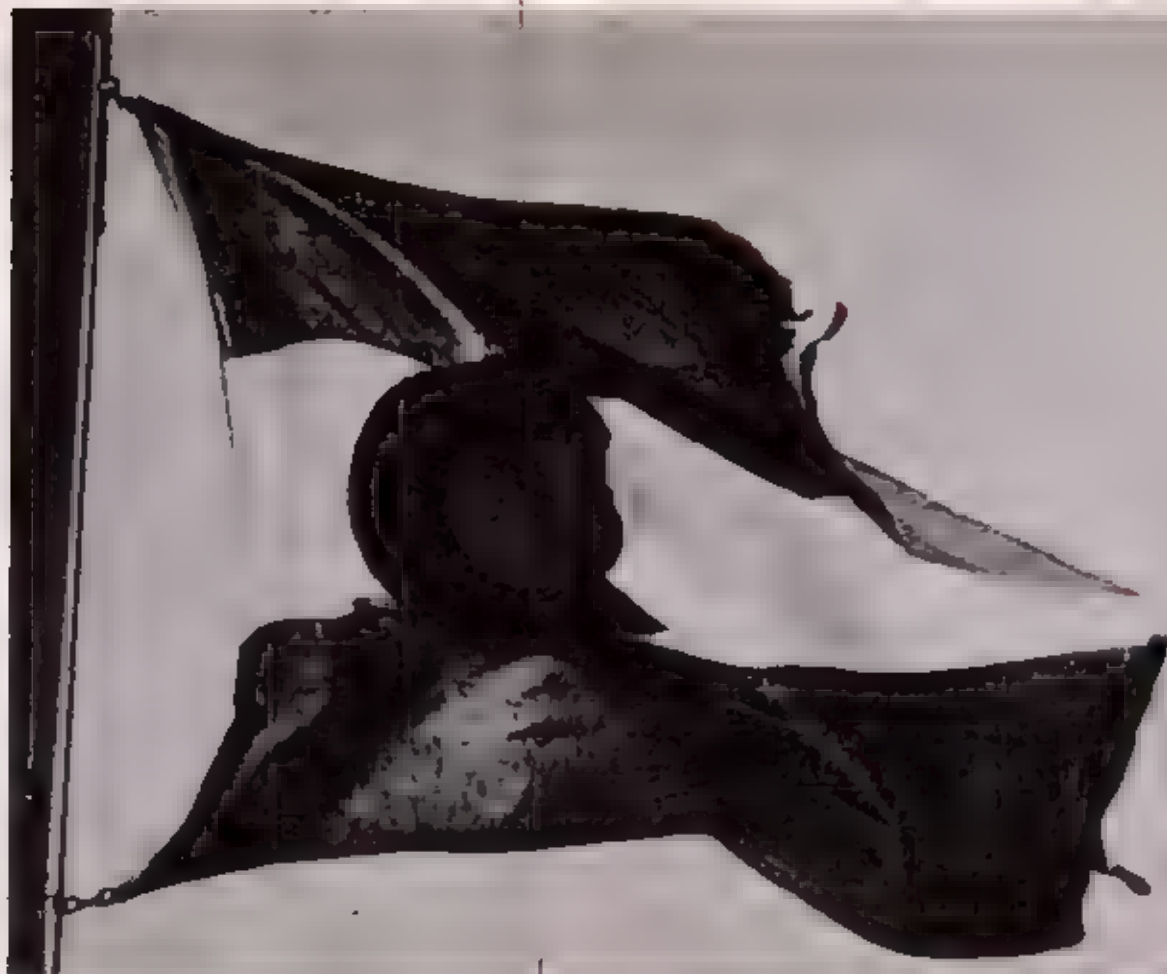

The years have gone by
Two-hundred by number,
A united America
We will always live under.

Vicki -
 You're really
 Sweet. I'm glad
 I got to know
 you - ever though
 it was in boring
 good summer, but
 stay out of trouble!

Activities

Memories that linger on of football games, dances, concerts, and calendar days remind us of experiences shared by all. Involvement in various extra-curricular activities seemed to create a special unity that will always remain a part of Heritage.

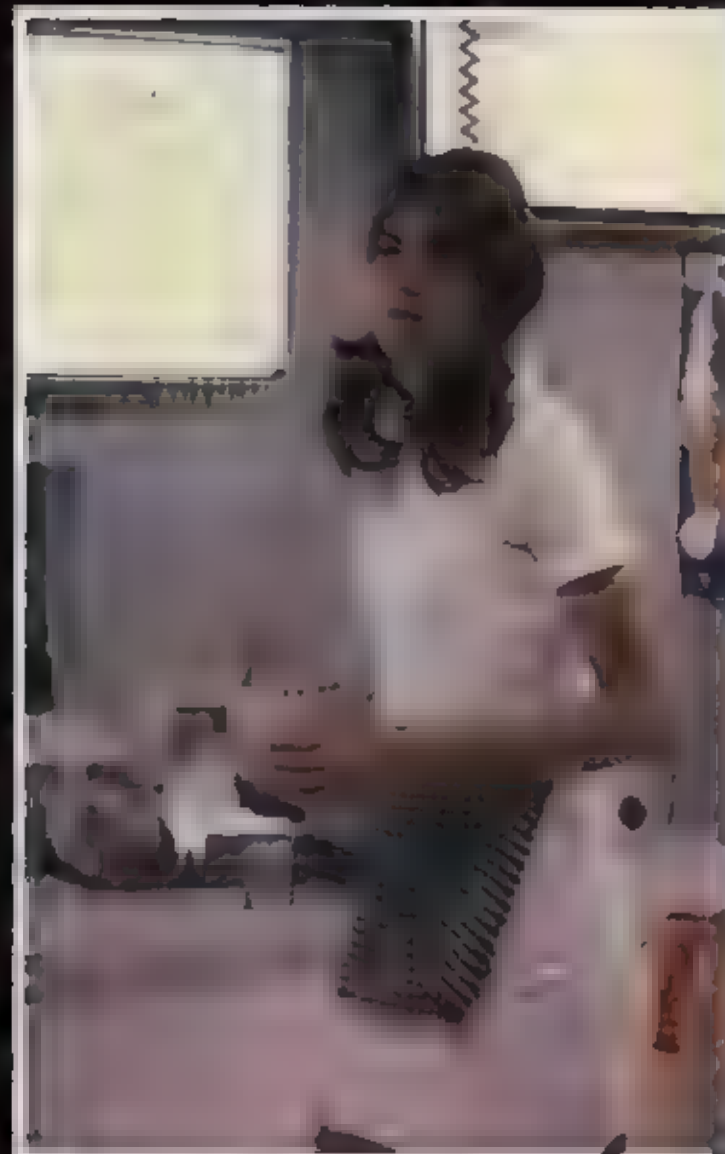

a) Seniors John Zigler and Alan Heidel find a shady spot to sit and discuss summer activities. b) "Line up and get ready," says band director, Brent Bailey, as the band rehearses for a future performance. c) A lone student relaxes in front of Heritage. d) Judy Marshall, jr., and a friend arrive at Heritage with renewed energy for the new school year. e) Soph. Jo Anne Miller waits on a customer at J's Burger Bar where she holds a part-time job.

Summer of '75 Holds Memories

As summer drew to a quick close, fall activities began once again. Classes started and performing groups practiced routines for the coming year. All the memories of summertime picnics and part-time jobs faded into the past and were replaced by nightmares of homework and the anticipation of seeing old friends.

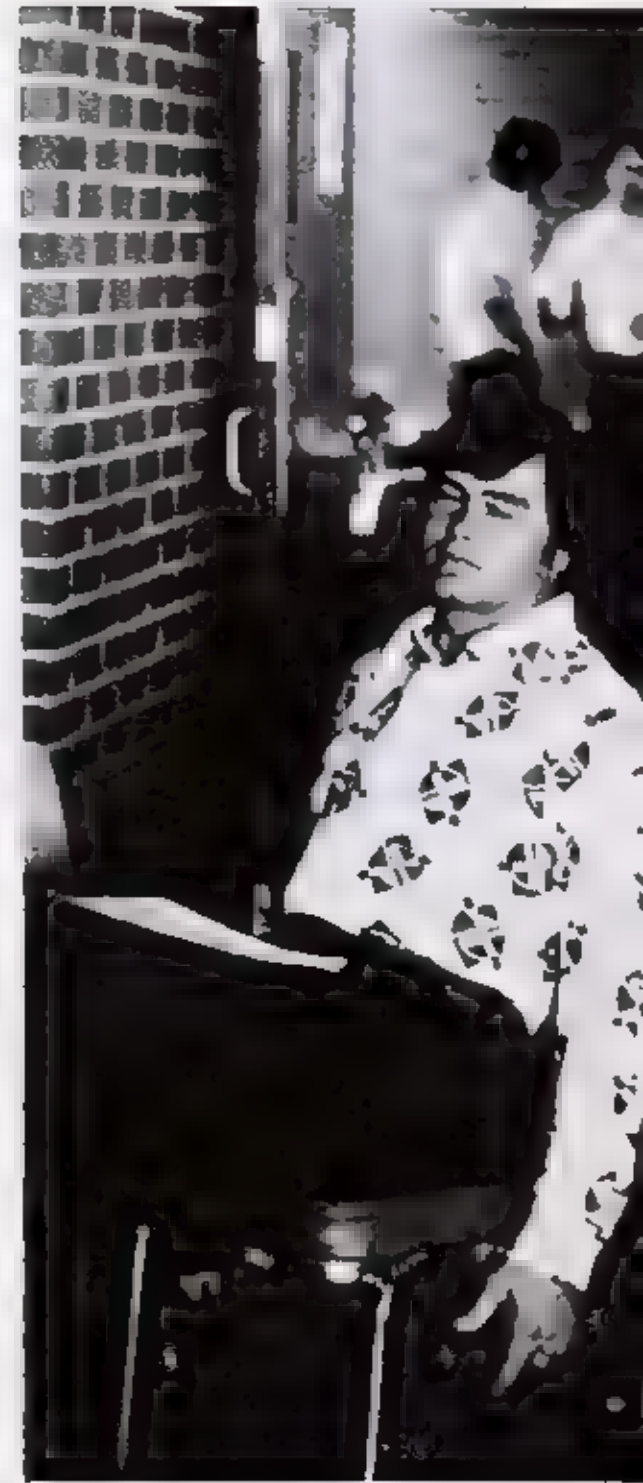

Freshmen Alter Tradition, Pull Cards First

Registration was rearranged and the freshmen pulled cards before the seniors. Not knowing what to do, those who had never pulled cards learned how difficult and aggravating it really is. By the time the sophomores came to school, most of the classes were filled.

It was time for rushing to the counselor to get an alternate class approved.

Registration wasn't over until two weeks after school started, as students transferred and dropped courses. It was then time to settle down and begin the daily routine of attending classes.

a) Is it a riot? Is it a demonstration? No it's the juniors at fall registration. b) Mr. Bill Krape takes a short nap between the rush of the outgoing H-L's and the incoming M-P's. c) Jr. Cheryl Hamilton sees Mrs. Virginia Harder for a counselor conference while she organizes her fall schedule.

There Is Plenty of Spirit at HHS

Throughout the year Heritage had several pep assemblies. One that was especially successful was the pep assembly that ended Spirit Week. The rally began with a faculty song contest. Each department added an original extra in the school song. The Cultural Arts department won the loud cheers of approval.

Varsity football players had a tug of

war with the men faculty and won, tumbling the faculty to the floor.

Male representatives from each fall sport were blind-folded for a kissing contest. Little did they know that they would be rating their mother's kisses.

Time caused the assembly to end abruptly and it was concluded with the school song and a cry of SPIRIT!

man, Lynne Lefferdo, Sue Humphreys, and Brian Vogt, seniors at Heritage enjoy their meal with Kathy McKinnell, (HHS '75) Cathy Steane (Rochester, N.Y.) and Nancy Blumberg (Woodbridge, Conn.).

Students Explore New Cultures

Kennedy Airport in New York was only the beginning for fourteen Heritage students and chaperones, who traveled through Europe during the summer of '75. Chaperones Mrs. Jean Bailey, Miss Margaret Kruse, and Mr. and Mrs. Tom Roberts tried to keep the students under hand while having fun themselves.

The group first arrived in Rome then headed for Madrid, from Madrid they went to France where they studied the French language, culture, history, and art. Finally the weary bunch arrived in London to mark the end of their journey. Although the end came too quickly for some it was great to be home again.

Homecoming Activities Abound

Homecoming activities started off with a reversal of roles, when the girls donned jerseys and set out with the urge to kill on the ol' 1-2-3 OOO-Rahh! While on the sidelines . . . the boys disguised as robust cheerleaders led the rowdie crowd in chants and cheers.

The Savage Sweeties trampled the Heritage Hustlers by a score of 14-ZIP! Sr. Betsy Lough and Soph. Brenda James proved to be real "Savage Sweeties" by each scoring a touch-down and Sr. Diane Bort made a two-point conversion.

Other activities included a one-man concert by rock artist Mark Wilson, and a post Powder Puff football game dance featuring "Black Wood Creek."

▼f

After many nights of hard work, the floats emerged from the depths of student's garages. Many people turned out to view the parade on Friday afternoon, as it made its way down Windermere. The Sophomore class float won first prize in the class competition, the Gymnastics team won first in the Individual competition, and DECA won first in the club competition. The royalty

candidates, Freedom Band, Liberty Belles, and Patriettes added to the parade which began the weekend festivities.

This year's Homecoming royalty was announced at the Friday night football game amidst much noise and excitement. Steve Rinaldo and Kathy Ritz were crowned King and Queen.

Homecoming Ends Happily

A car caravan honking its way to District Six Stadium signaled the climax of Homecoming week—the exciting football game against the Arapahoe Warriors. The Eagles came from behind to score fifteen big points in the last six minutes to win by a score of 21-20. The game was especially thrilling because it was Heritage's first win in a Homecoming game and our first win over Arapahoe.

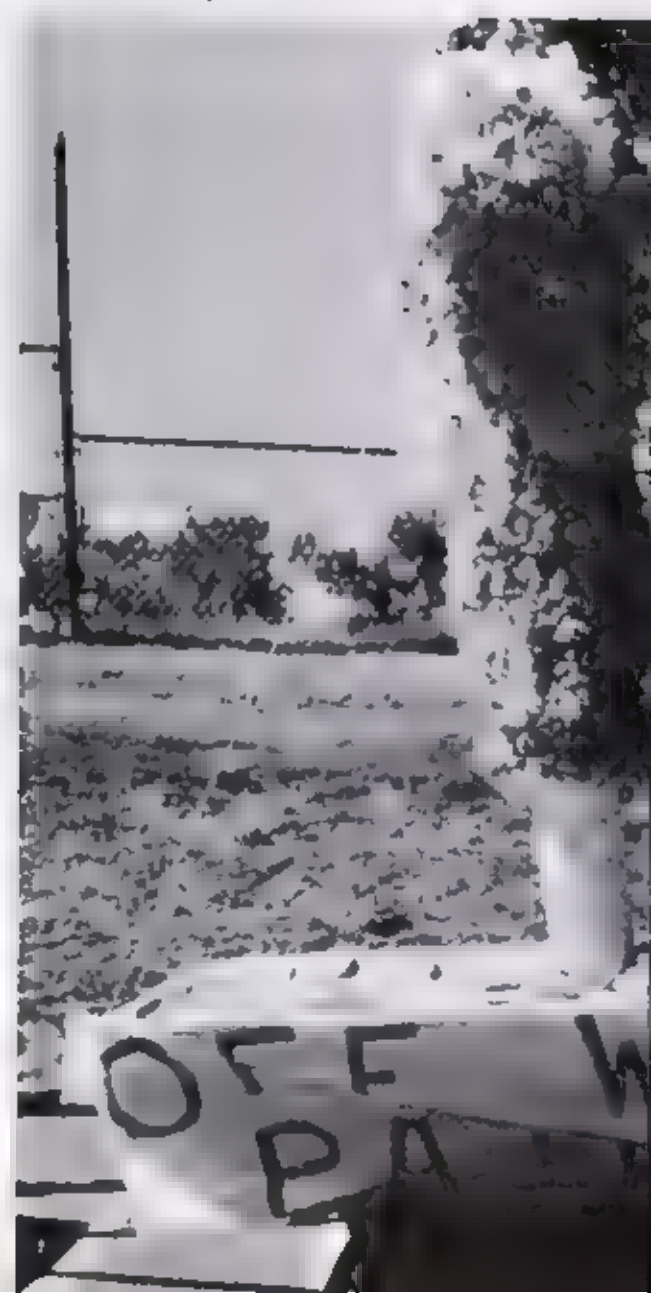

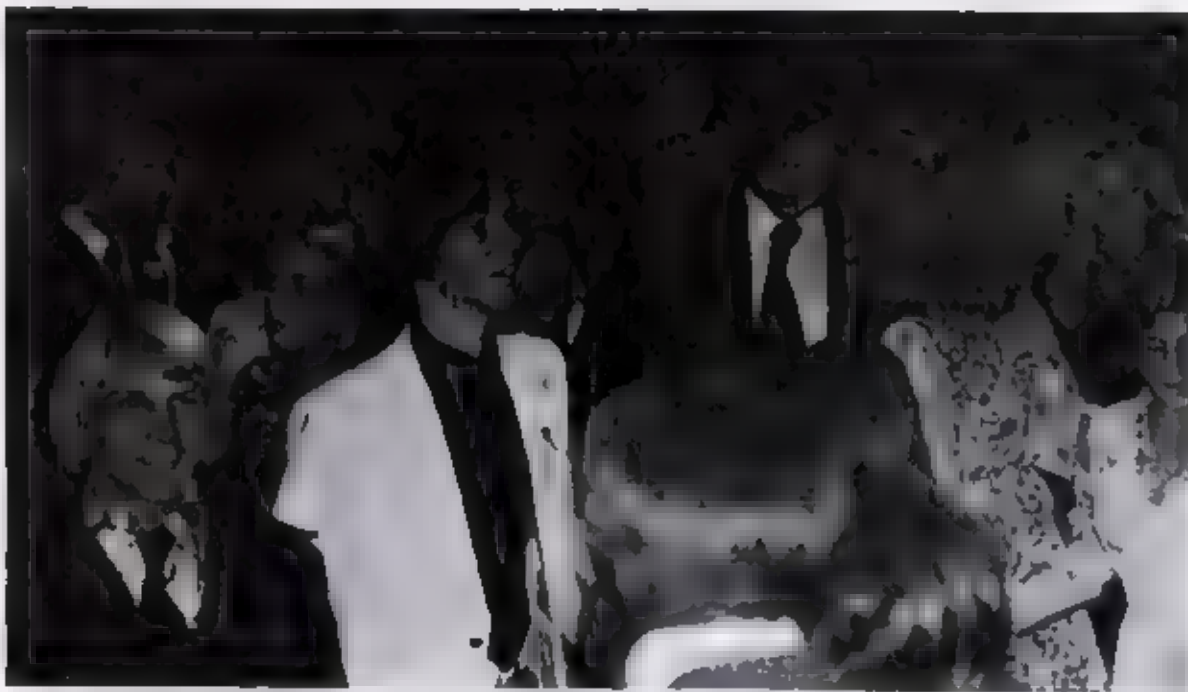

The following night the second annual Homecoming dance was held. The theme was "Twilight's Last Gleaming" and the couples danced to the music of Roundtree.

Colorado Hits One Hundred

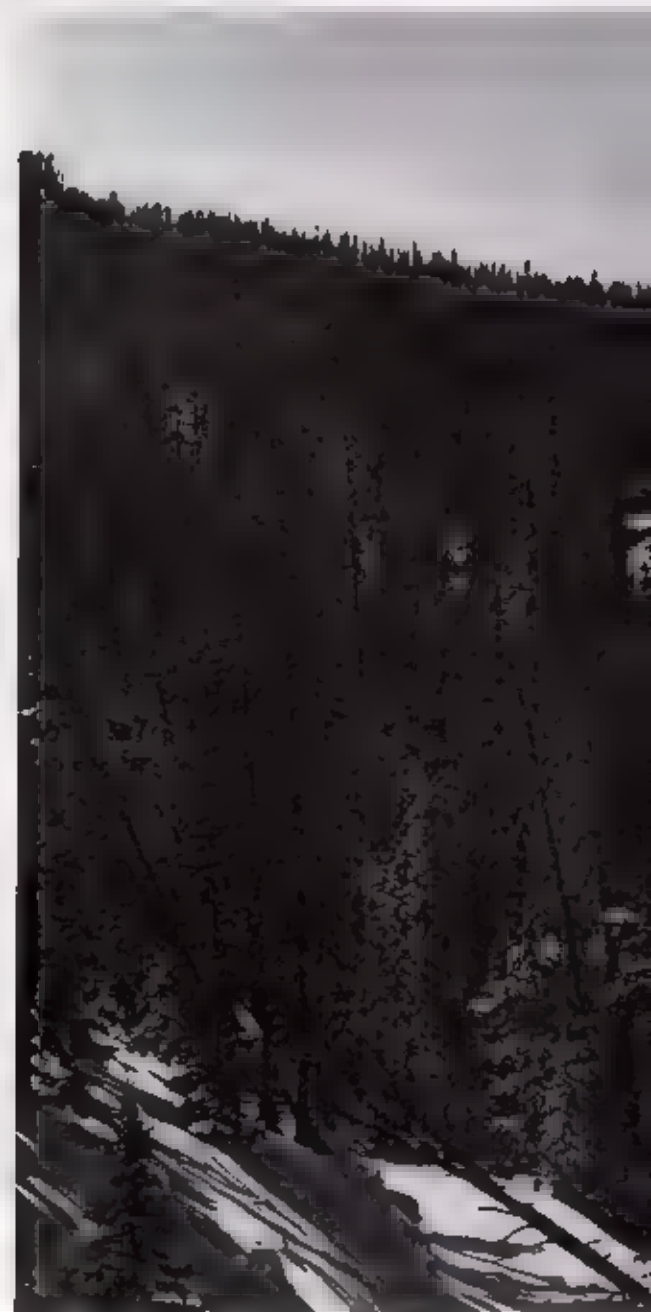

Since its founding as a state in 1876, Colorado has progressed from mining camps, ranches, and farms to bustling cities, productive industrial areas, and sprawling suburbs. Despite all the progress, Colorado is peopled with spirited, rugged individuals who have retained their "Western" character, and as Colorado reached its Centennial year, they have prepared to face the problems that progress brings.

Foreign Exchange Broadens Horizons

Being a foreign exchange student is a rewarding experience. The students learn about new cultures and customs; but most of all, they meet new people.

Three Heritage seniors spent a year abroad as foreign exchange students. Leesa Wingo, a Rotary exchange student, returned in January from her stay in Tawa, New Zealand. While there, she became the first girl to manage the school's rugby team. Mary Crabbe left her Littleton home last summer to spend a year in Brazil. She was sponsored by the Rotary Club, as was Tim Bullock who spent a year in Sweden.

Bringing their foreign cultures with them to Littleton were Sue Crowe of Australia, and Ghassan Al-Ibrahim of Kuwait. Sue came to Littleton in January. While attending Bega High School in Bega, Australia, she was student council secretary and was on the tennis team. Ghassan was able to attend school here with a student visa. He comes from a family of six brothers and sisters.

Thoreau Spends Night in Jail

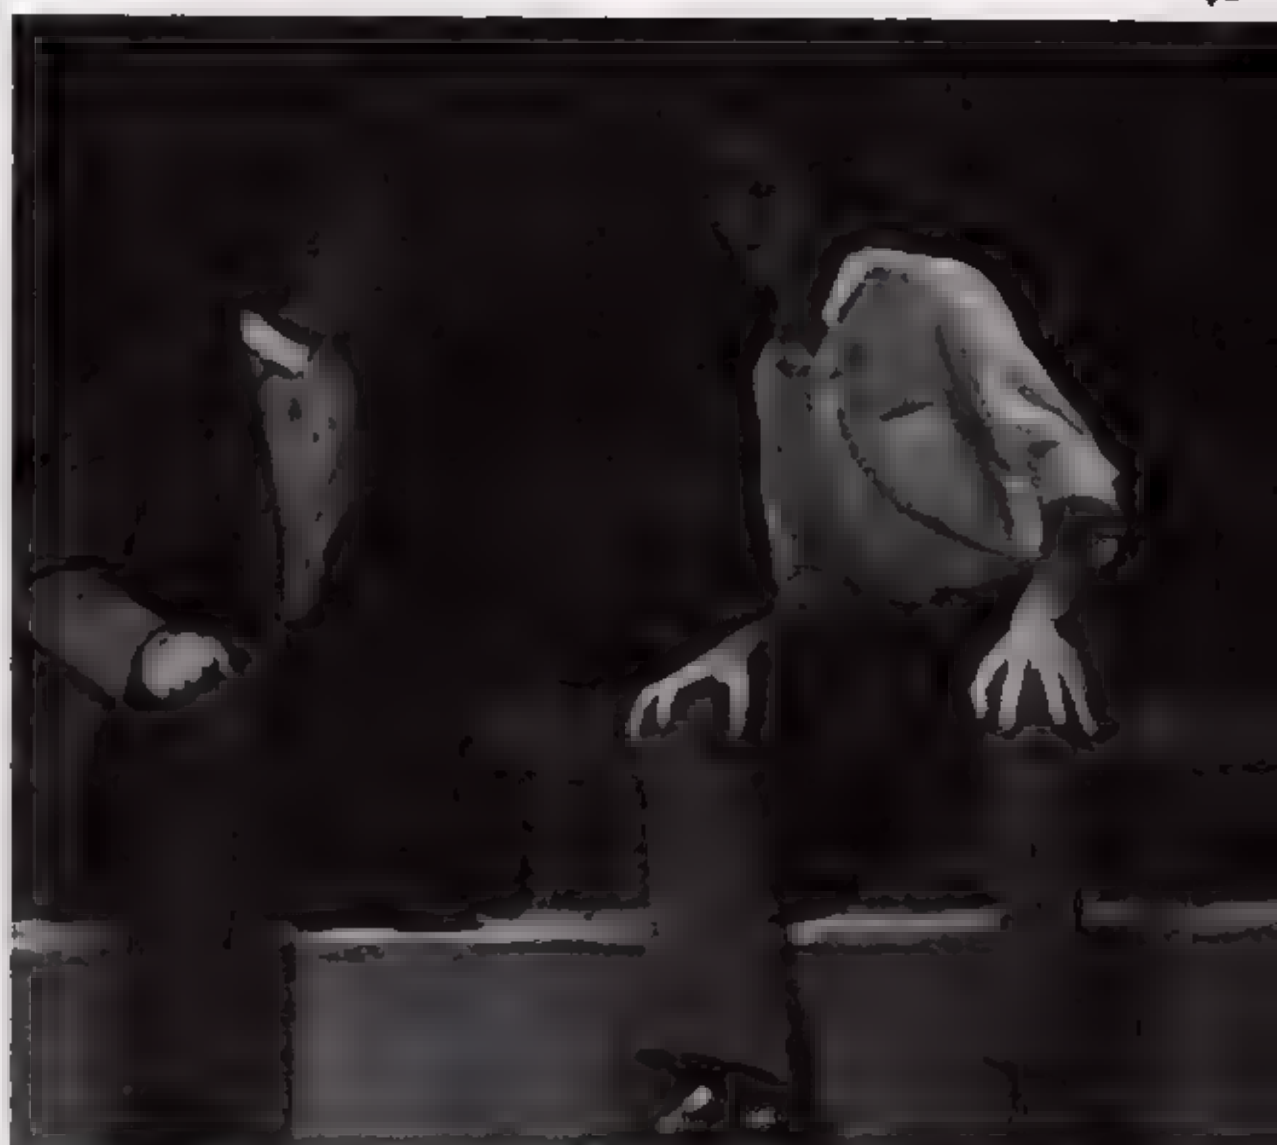

"The Night Thoreau Spent in Jail" opened the theater Oct. 16 for another promising year.

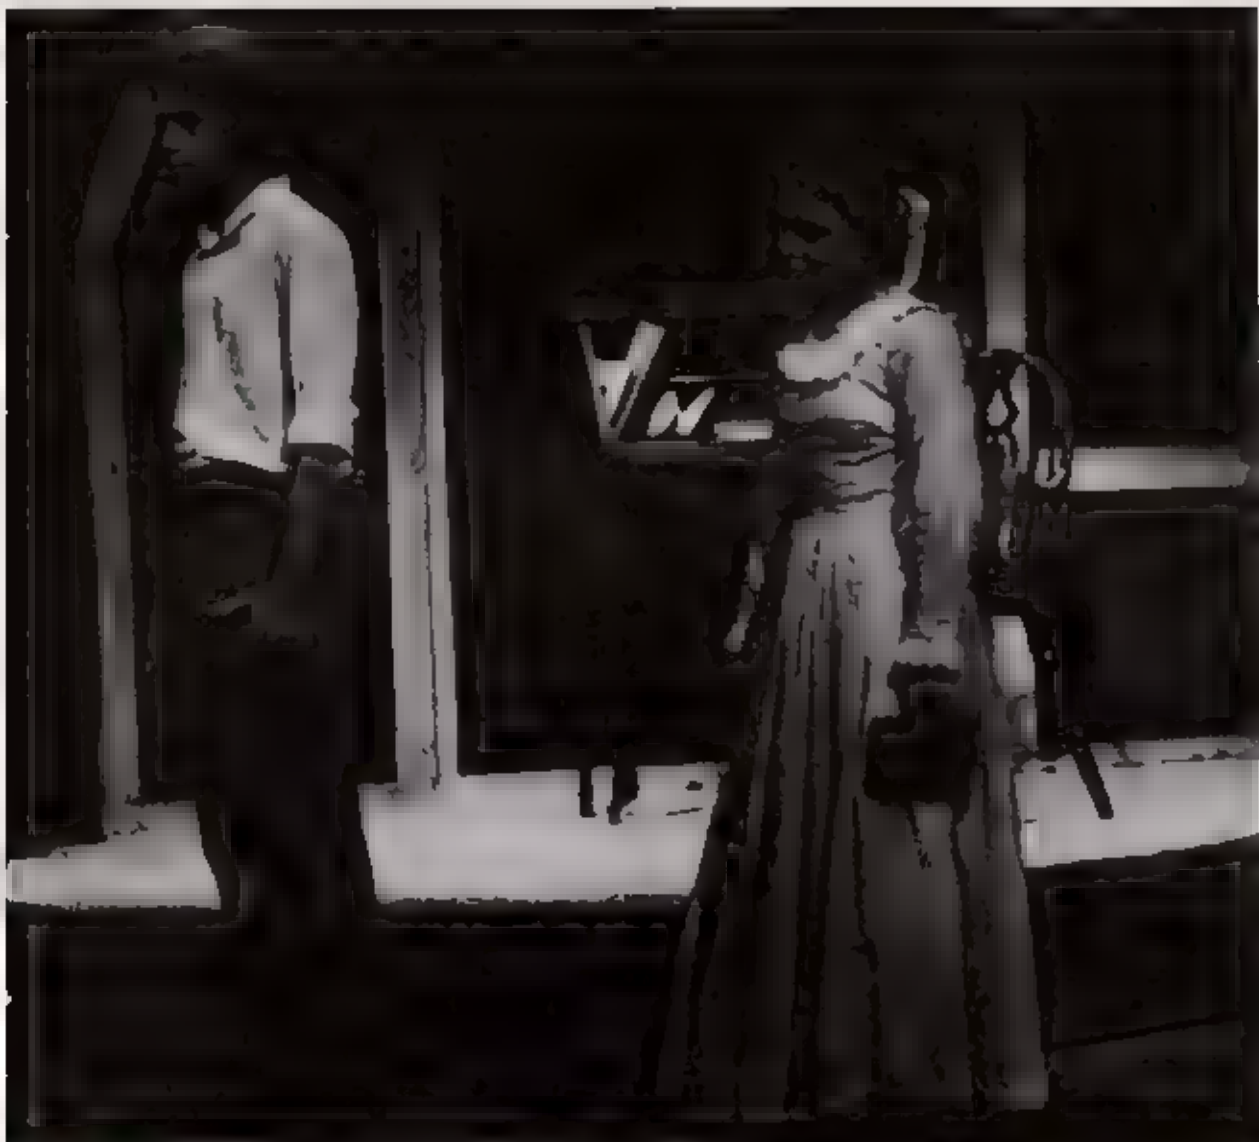

Although Henry David Thoreau lived in another century, this play belongs more to the 1970's as it is closely related with present day issues. Thoreau was a radical. His rejection of materialism, his love of nature, his nonconformity, and his willingness to stand up for his beliefs was as unusual in his day as it is now.

This play brought new faces and personalities to the stage enhancing it with their superb acting ability.

"Tom Sawyer" Arouses Nostalgic Memories

Tom was the star performer in the delightful children's musical "Tom Sawyer." The play, presented on Nov. 21 to District 6 fifth-graders and on Nov. 22 to the public, was based on THE ADVENTURES OF TOM SAWYER by Mark Twain.

The musical aroused fond memories of the true nature of American boyhood. Seeking excitement, mystery, and adventure, Tom and his friend, Huck, shared with the audience their mischievous acts, crazy pranks, narrow escapes, and splendid schemes. Tom getting lost in a labyrinthlike cave with Becky Thatcher and discovering a treasure with Huck, were a few of the adventures that captivated every child's attention. Tom's adoration and love for his sweetheart, Becky, stimulated warm smiles, but Injun Joe's bloodthirsty schemes for vengeance arose fear among the audience.

'Matchmaker' Blends Work and Talent

▲d

▼e

One week after Valentine's Day, still romantic hearts had a chance to laugh at sentiment when drama students outdid themselves in the production of Thornton Wilder's play, "Matchmaker." This zany farce, known to many as the musical, "Hello, Dolly!", is based upon the confusion which results when adventure seeking people become entangled in the game of love.

The realistic stage setting gave no indication of the problems which confronted the builders when they had to extend the stage over the orchestra pit while working with odd sized bolts and nails. The costume and prop crews also suffered as they tried to beg and borrow, all the necessary items for the play. These efforts, combined with the actor's long hours of practice, blended into the graceful performance which was seen and enjoyed by the audience.

Halloween Spirit Revived

On a dreary Halloween day Heritage's halls were filled with ghosts, goblins, witches, and multitudes of other costumed students all hoping to be the winners of a contest sponsored by Student Council. Costumes ranged from a meek rabbit to frightening Franksteins and Gorillas.

Prizes were given for the best costume from each grade and for the best teacher's costume. Winners included Sr. Dawn Thibault as the Bride of Frankenstein, Jr. Dave Hoffman as a Gorilla, Soph. Matt Crane and Jr. Nancy Whaley as Bonnie and Clyde, and Fr. Dawn Hargus as Shirley Temple. The teacher was Mr. Ron Lyles who came as Caesar.

Students Relive the Fifties

Remember Elvis Presley? Remember Chubby Checker? Remember how we bobbed and bounced to something called the twist? Remember Joe's first cigarette? Remember?

Yes, the fabulous fifties were back at Heritage during the week of Nov. 10-14. DECA was busy most of the week entertaining the students in the cafeteria with musical skits and by having a dance contest between the teachers. Again this year, the winners were Mr. Bill Talbert and Miss Yvonne Azar. The high point of the week was the Sock-hop which nearly 800 students attended.

Snow Comes Late to Rockies

Remember the school days you skipped just to go skiing on the snowy white slopes? The ice covered slopes (scattered with rocks)? This was the year you were going to learn something new, but remember the rocks? . . . They wrecked your brand new skis but fate didn't discourage the determined, dedicated you. You may have learned to parallel, jump, wedel, or to do that high flying flip that you always dreamed about. On those cold winter days your frozen fingers and ice cold toes, complimented your frozen nose, but nothing discouraged you.

Non-skiers have reason to wonder why anyone would spend so much time and money on a "sport" that consists of strapping two boards to your feet, standing in a never ending line for hours, riding a little motorized chair to the top of a hill at a 45° angle and then sliding down a bumpy uneven slope, only to return to the bottom and start all over again.

Whiting Recognized by State

One of Heritage's most outstanding teachers, Mr. Jack Whiting, was nominated for the 1976 Colorado Teacher of the Year Award. With many state-wide applicants, Mr. Whiting progressed to the semi-finals and was selected as one of the top five teachers in the state.

Mr. Whiting, who has taught for 17 years, involves himself in more than just the fundamentals of teaching. An easy going person he's always available to serve the community or to help someone with a problem. His sense of humor and unique teaching abilities combine to make Mr. Whiting an outstanding teacher.

" . . . to develop an atmosphere of democracy, to stimulate participation in school activities, to encourage student faculty cooperation . . . "

This section of the preamble to the Student Council Constitution sums up the intentions and aims of the organization. The members met twice a week to fulfill these aims. Their most visible task was to plan many of the important events of the year such as elections, dances, Spirit Week, and Teacher Appreciation Day. The members not only planned but also raised money and provided the manpower to make these activities possible.

Senior Class 1976

History

In the fall of 1972, the class of '76 began its career in the strange and echoing halls of Heritage High School. We came from all sections of Littleton (Grant, Euclid, St. Mary's, and All Souls) to complete the last phase of our required education. We were thrown together on the bottom rung of the ladder as the lowly freshman class, taunted and teased by those above us. Everywhere we turned there were unknown faces, anxious to find their destinations. Comments were heard, "Do YOU know how to get to the gym?" or "Is he only a sophomore?" and "So THAT'S who the principal is!"

Along with the studying, there were various activities in which we as freshmen were involved. With input from all of the different schools, coaches started putting together promising teams. MOLLY BROWN was the debut of the drama department. Support from students, parents, faculty, and even a professional actress helped to make this play a successful grand finale to the week of the Dedication of Heritage High School.

As Freshmen, we were also calmly, but forcibly, steered away from the main hall to avoid corrupting our minds with the famous, or infamous, painting of Adam by Michelangelo. It was known literally from coast to coast as "the Nude Dude", and put Heritage on the map. As the "Rocky Mountain News" put it, "Despite his flagrant violation of the dress code . . ." Adam was allowed to stay. By the end of May, 1973, we had learned the basics of life as a high school student and we were determined that the class of '77 would get their share of troubles.

We started moving as Sophomores, helping promote the fall tradition of Homecoming. Our first one was called "Fall Festival" week because we had no seniors to return for a "home" coming. Our class float tasted sweet victory in taking the first place prize from the unfortunate Seniors. Kathi Vaggalis and Pat Smyth were elected as the sophomore royalty attendants for the dance entitled "Moonshadows."

Breaking for Christmas vacation is always a joyous occasion, but, as an unexpected "present", we received an extra two-weeks vacation due to the teachers strike which forced District 6 schools to close. Consequently, there was no time for the dreaded semester finals. Some may recall the various substitutes who tried their best to give us an education, but came off as babysitters. In the athletic field, we proved our potential was there and that we would become a school to be reckoned with in years to come, as our basketball team placed first in district.

Junior year—ah, we're getting close to our final goal of graduation. Starting early in the summer, the Junior class rallied students to lend their time (and money) to promote the Jr-Sr Prom, which was to be held in the spring. Our fund-raising projects turned out to be more FUN-raising than expected, but they proved a success. We temporarily abandoned our efforts to devote our time to the 1974 Homecoming week. Attendants were Natalee Clough and Andy Ausmus, who represented the Junior class at the first true homecoming dance, "Autumn Tapestry." Thoughts were then turned back towards prom, and with a confirmation of the reservation at the Brown Palace, things moved along rapidly. Juniors excelled to the point of holding many varsity spots in the sports scene. It was also the year that the Varsity football team blanked Gateway in a 40-0 romp in a surprising finish for the season.

Well, we finally made it to our Senior year. The excitement and flurry of getting measured for caps and gowns proved that we were nearing the moment when we would be receiving our long-awaited diplomas. There was a certain unity and revived spirit among us knowing that soon we would all go our separate ways.

We had our first winning Varsity football season under new head coach Bernie McCall, winning our first Homecoming game in a thrilling 21-20 victory over arch-rivals Arapahoe. Kathy Ritz and Steve Rinaldo reigned over the Homecoming dance, "By the Dawns Early Light", while Lou Anne Turner and Brian Vogt served as the Senior attendants. It was certainly a great beginning to our final year at HHS.

Due to the elimination of Freshman initiation, a new project was developed. Although it was called Spirit Week, it was, in a sense, initiation. This was because the students who were chosen as spirit leaders were, BY COINCIDENCE, seniors! Their job was to promote spirit and they did this by making certain individuals (freshmen) perform certain hilarious antics.

For awhile it was easy street with nothing to worry about. But as the year quickly passed, we settled down to more serious things. Many questions were embedded in the back of our minds. Questions such as "Will prom be held this year?"; "Will I still be in touch with my friends?"; "Will I make it to college?"; or even "Will I make it out of here?" And memories will always remain too. Homecomings, Proms, 50's Week, "Let's Get Rowdiell", "B.H.O.O.C.C.", Spirit Week, Registrations, and many others will always provoke good thoughts of our high school days. We've all been through a lot of experiences and gained many long-lasting friendships, and, although most of us looked forward to graduation, we will always remember the part of our lives that is now a part of Heritage High School.

THE WHITE HOUSE

WASHINGTON

I warmly commend all who participate in plans for the celebration of our National Bicentennial. Your efforts are symbolic of your deep sense of patriotism and civic pride. They also reflect the vitality and spirit of America.

I wholeheartedly welcome your commitment to help make our Nation's two hundredth birthday a fitting and memorable occasion for all of us.

RICHARD D. LAMM

July 17, 1975

To the Graduating Class of 1976 of Heritage High School:

As we plan for this nation's next 100 years, it is perhaps my great wish to be there, to see how this state and this country turn out. But that is unreal, and it will be your children and grandchildren who will be here in the next 100 years.

What will they find in the world at that time? If we have continued on the course of action which seems to be the style of the citizens of the United States in the year 1975, then I do not anticipate a joyful future.

The lifestyle of this country has been one which assumes that there is an infinite amount of space, of resources and of technology to handle any of our wants. I say wants, not needs, because I think we have developed an extravagant lifestyle and a wasteful approach to the use of this earth's finite resources. Without proper care of our land, our water, our minerals and our irreplaceable natural resources, we will find ourselves in the midst of a disintegrating civilization. The care, the husbanding of our earth should be our prime concern.

Perhaps the generations who will be here 100 years in the future will have resolved our conflicts and set their priorities in such a way as to recognize the finiteness of this world. Perhaps they will have resolved our conflicts so that the well being and living conditions of all men and women have improved.

I hope that is the case and I wish the future generations the best possible world. We can all have a part in preparing for a true conservation of our world.

Sincerely,

Richard D. Lamm

WASHINGTON, D.C. 20510

To the members of the Senior Class
of
Heritage High School 1976

You are fortunate to be able to share an important anniversary with the two-hundredth birthday of our nation. This is, indeed, a time to celebrate the founding and development of the strongest and greatest country in the world; it is also a time of challenge.

We face an energy crisis, erosion of our environment, an unsettled economy, continuing social injustices. The American dream has been tarnished and you must make it bright again. Your generation must reshape our values and find new answers to our problems. I know that you will.

Congratulations and cheers to the Class of '76. May you continue in that true spirit.

God speed.

As you graduate from Heritage High School, our nation will celebrate its 200th anniversary.

This historic event comes during one of the most turbulent times in American history. Our country faces economic and social problems, inflation, unemployment, an energy crisis, environmental concerns, world tensions, discrimination, smothering of individualism by big institutions, and many other serious problems.

Some people are permitting these problems to obscure the greatness of our nation; they doubt that America retains the courage and wisdom to cope with problems of such magnitude.

I disagree. Our national flaws and blemishes are merely the measure of the task ahead for all of us, and particularly for you who are graduating in this symbolic year. As America approaches its Bicentennial, I sense a renewed appreciation of our basic ideals, a respiritualization of America and a return to the basic sources of our individual and national strength -- faith in God, faith in ourselves and our beloved country, individualism, brotherhood, free enterprise, and the wellsprings of creativity that have made our country what it is. I believe the greatest days of our country are not behind us ... but are yet to come.

This spring, as May 23 crept closer and closer, a new and exciting feeling haunted Heritage halls. This feeling was generally termed as "senioritis," and as far as anyone could tell, there was only one cure—"Graduation!" This feeling especially applied to this year's senior class, who were the first freshmen class back in 1972, and thus the first class to have attended Heritage for four years.

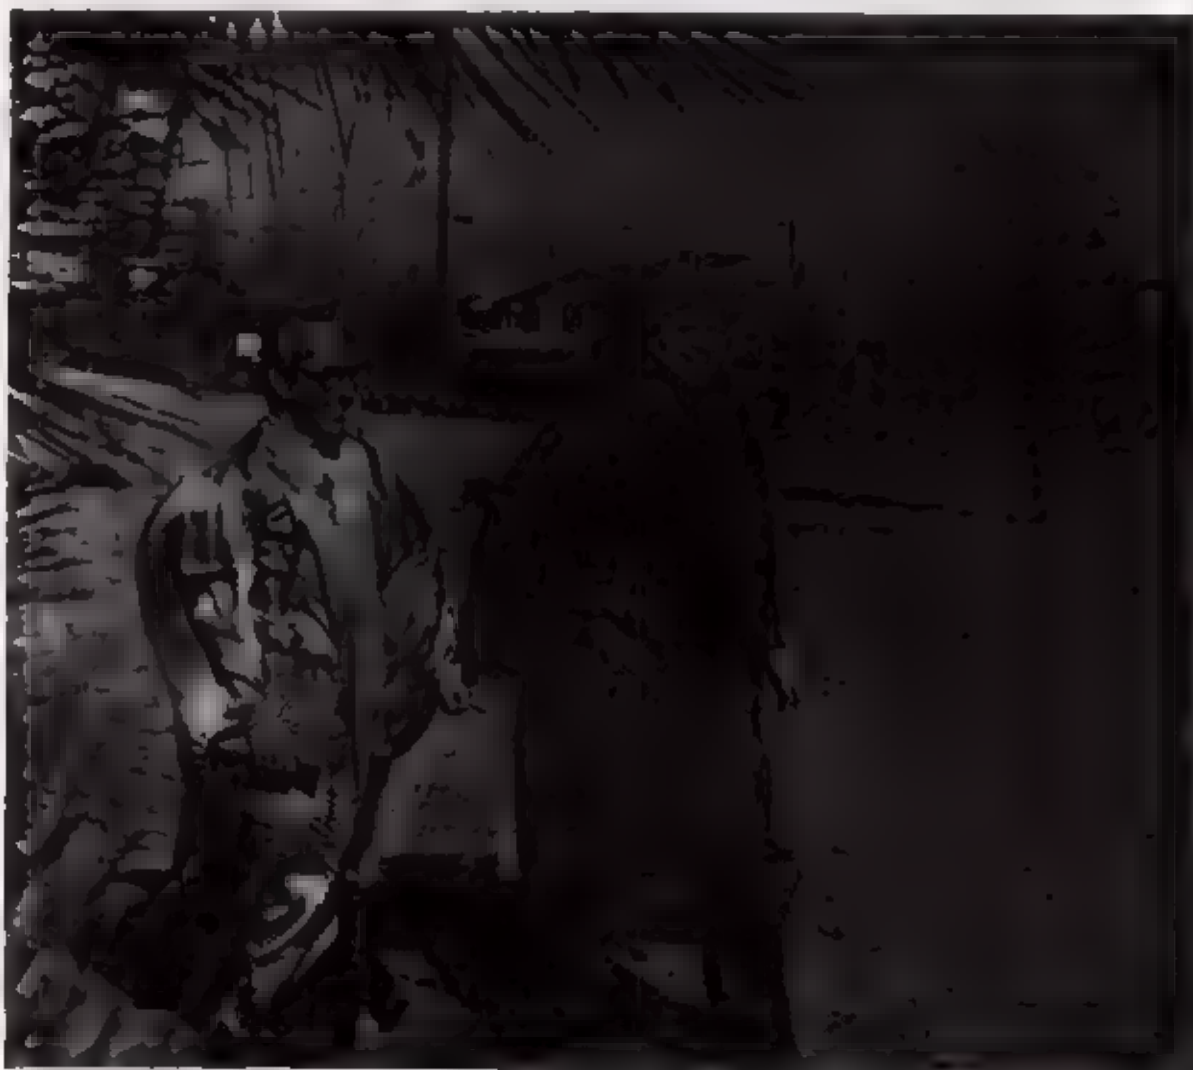

The graduating ceremonies were again held outside on the field west of the school on Sunday, May 23, 1976.

a) A student receives her diploma which signifies 12 years of hard work at school. b) Dan Kain and Sue Lange show their happiness after graduation. c) Kathi Vaggalis tosses her mortarboard in the air with joy. d) Making last minute touches before the class of 1976 is presented for Graduation are Jeanice Pearce and Colleen McGee. e) Judy Persons and Anita Cooley jump for joy after the graduating ceremonies. f) The mortarboard, diploma, and tassel are not only symbols of graduation, but memories.

Seniors Step Forward and Look Back

Seniors have prepared to take the big step forward into the future by graduating; but, looking back to the past are reminded of the first big steps on the road to maturity.

"Isn't it funny that Princes and Kings
And folk that cut antics and sawdust
rings
And common folk like you and me
Are makers of eternity." Unknown

Dicki- well its been a great year
 hasn't it? and we have many
 more to come. We have so
 many precious memories to
 hold in our hearts. Even
 though we've gone through
 tough times we can only
 remember the good ones ^{Right?}
 Just think we became friends
 at the end of last summer &
 I feel like we've known
 each other forever, I hope
 you feel the same way too.
 This summer we're going to
 have a good time too, but I
 have to be a good girl, so you
 better help me. Next year
 we're going to be big "juniors"
 As I said many times before ^{alright!}
 my friends are very special
 to me and I want you to
 know that. Stay sweet and
 pretty, and I'll keep praying
 for you and fist! Love, your
 Athletics friend, Diane

Memories that linger on come to mind when we think of vic-
 tories and defeats that have become a part of athletics. The
 rules have changed from previous days to include women in
 more competitive sports and a constant broadening of athletic
 programs.

Freshmen Gain Much Experience

Neither rain, nor sleet, nor dark of night, kept the freshmen football team from its hard work. Practicing until late after school and in the early hours before school, paid off. Though the team got off to a slow start, they rapidly progressed through the season.

They had many losses in the beginning of the season, but they finished very strong by holding the tough Euclid team in a tie, and holding Cherry Creek until the last quarter of the game, when Cherry Creek scored two touchdowns.

McCall Makes Miracles

Under the leadership of Coach Bernie McCall, the varsity football team had the most successful season at Heritage since the school opened. They broke 35 school records and had their first winning season.

One of the most exciting games of the season was against Arapahoe. The game was dominated by the Warriors in the first half but the Eagles still won the game with a few seconds left on the clock.

Srs. Steve Rinaldo, Drake Santistevan, Rick Wells, Brian Diem and Jr. Randy Stone, made First Team All Centennial League Southern Division. Randy Stone won the League Rushing title to highlight the '75 season.

It takes a tough kind of person to make a football player, and the HHS Sophomore football players are that type. Each game was fought with the tough, consistent exertion it takes to play a good game. Along with a lot of hard work, gang tackles, long bombs, and team work, the Sophomore Eagles held together throughout the '75 season.

The Heritage High School Golfers, coached by Miss Sally Hardwick, swung into action this year with lettermen Doug Witt, senior; Jeff Barr, Doug Davidge, and Dan Chandler, juniors; and Doug MacDonald, sophomore. They placed well in their first three meets, averaging 7th of 12, then dropped, as they encountered rough courses. Even so, the HHS golfers showed great team spirit to end a successful year.

▲d

Accompanied by the rhythmic music of the Freedom Band, the '75-'76 Patriettes loyally performed at football and basketball games. Equipped with their 7-foot performing flags, they maneuvered on the football field with the rifle squad, a new part of the Freedom Band. The squad endured bruises and frustration, but proved to be a successful addition to the Freedom Band. The Patriettes precision in performance required endless time and energy, but support was provided by their sponsor, Miss Peg Berry.

The varsity soccer team was coached by Mr. Randy Campbell. This was Coach Campbell's second year of coaching soccer.

The teams most valuable players were Brian Magee, who set a new school record with a season total of 16 goals, Greg Bruce, and Jed Bennett. Mike Schuyler, Matt Lepore, and Fred Altmix were the teams most improved players.

First-string League were Brian Magee, Steve Wilbraham, and Scott Ferguson. Named to the second-string was Dave Parker. Glenn Crissey, Jeff Newcomer, and Mike Schuyler also received honorable mention.

The most honorable experience for the team was receiving the Hans Wittman Sportsmanship Award for the 1975 season.

Success Enthuses Teams

Soccer, a rough, fast, and exciting game, requires persistent practice and physical endurance. The J.V. and Freshman teams had very successful seasons.

The J.V. team had an outstanding and impressive record of 9 wins and only 3 losses. Soph. Chris Magee led the team with 6 goals. Chris Balch, jr., was chosen the most outstanding player, and Tim Skufca, jr., the most improved player.

This was Heritage's first year to have a freshman soccer team. Benny Gutierrez led the team with 11 goals. The most improved players were Rick Charles, soph., and Dennis Schlaht, fr.

With student teacher Coaches Gary Scheirman and Bruce Brown's strong support, dedication, and encouragement, both teams achieved exceptional game records.

Swimmers Splash to Victory

The girls' swim team looked good this year with hard working newcomers and strong regulars.

The only loss this year was to Cherry Creek, which made only four losses on the team record in four years, all to Creek.

Heritage was strongly represented at state. Mary Skaggs, Tami Jones, Lori and Lisa Carlston made the 200-yard medley relay which placed fourth. The 400-yard freestyle relay which consisted of Mary Skaggs, Barb, Lisa and Lori Carlston placed third. In individual competition, Lisa Carlston placed sixth in the 500-yard freestyle; Lori Carlston, sixth in the 100-yard butterfly; and Mary Skaggs, sixth in the 100-yard backstroke.

This year, girls' volleyball was added to the fall sports curriculum. The team, coached by Mr. Dan Troxel, had a great amount of determination and showed that they knew how to play volleyball, as they finished their first season with an impressive 9-2 record. The girls placed first in the Centennial League, defeating Boulder and Fairview, but lost to Greeley West in district playoffs.

Girl Gymnasts Snatch League Title

The girls' gymnastics team ended the fall season with a spectacular record of eleven wins and no losses. They went on to win the Centennial League, to place second in District, and to finish eighth place in State. In addition to the team's success, two Heritage girls qual-

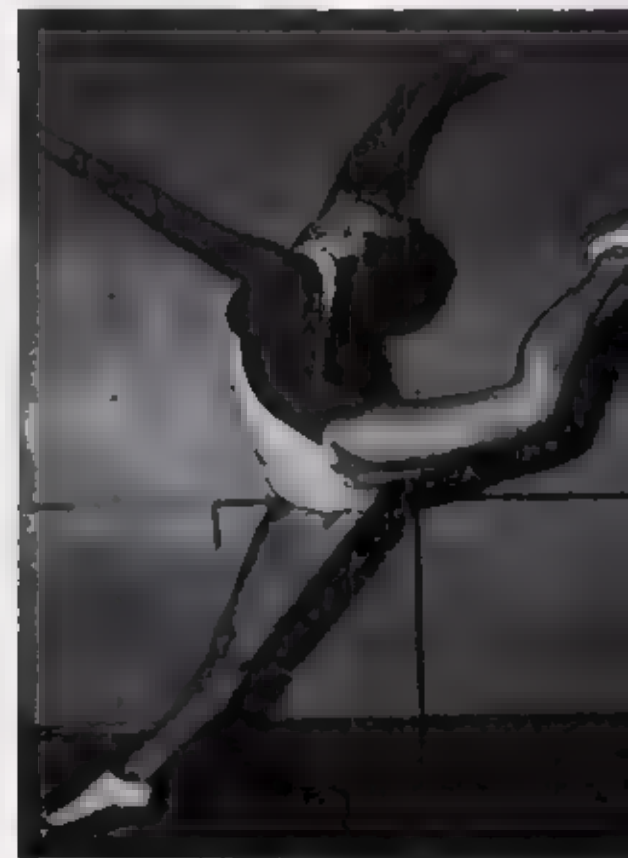

ified for the state individual competition. They were Soph. Gina McNall, who qualified for the all around vaulting competition, and Sr. Betsy Dowell who qualified on the uneven parallel bars and vaulting competition. Gina took eighth place in vaulting at state.

Cross Country Runs for Fun

Seven miles a day over rough terrain may not be the average person's idea of a good time, but cross country runners aren't average people. They achieve satisfaction from knowing they can master pain and exhaustion and keep going in the last stretch of a race.

Led by the inspiration of Coach Larry Lienemann and returning seniors Tim O'Grady and Phil Trimble, the team gained an excellent sixth place finish in strong Centennial League competition.

Eagle Power Propels Puck

Balance, speed, endurance, power, and coordination are qualities necessary for playing the swift and rough game of hockey. Coached by Mr. Ran Railey, the determined Eagle hockey team practiced long hours to maintain this skill and speed. During games, the fearless players tolerated bruising treatment as they raced for pucks, dodged, and blocked opponents. Loyal hockey enthusiasts and Heritage cheerleaders gave their support at games and brought the team victory, regardless of the score.

The team enjoyed victories and suffered defeats, but found the great satisfaction and pleasure of playing hockey. With Coach Railey's strong devotion and inspiring attitude, the team achieved a memorable season record.

Swimmers Give Their Best

Under the guidance of Coaches Mr. Steve Bailey and Mr. Bob Plessman, the boys' swim team completed another fine season. During the winter months, each individual spent many hours in the pool overcoming personal obstacles and stumbling blocks with a determination which resulted in the Eagle's success. Speed being the most important factor, the rewarding feeling which comes from setting or breaking a record became a common and uniting dream among the swimmers. Still others spent time meeting the challenge posed by diving. All in all, every individual gave his best efforts to help make up the Heritage swim team.

Wrestlers Taste Sweet Victory

Harsh practices, hot whirlpools, continual diets, pulled muscles, encouraging coaches, and discouraging losses are all forgotten in that vital moment of glorious victory. And the victory is doubly sweet because it is the personal victory of one man's strength, agility, knowledge, and determination over another's. A wrestler depends upon himself only. If he miscalculates no one is there to cover it up; and if his opponent makes the error, only he is there to take advantage of it.

There were many outstanding wrestlers this year, individuals who demonstrated superior determination and self-discipline. Among these were Srs. Andy Ausmus, Dale Macumber, and Jr. Greg Kennedy. The sophomores displayed abundant enthusiasm, and the freshman team introduced many strong new wrestlers.

Basketball has come a long way from earlier days, when peach baskets and oversized balls were used. Today, energetic players, applauding fans, and whistling referees, contribute to the thrilling game of basketball. The hustling Freshmen teams had a great height disadvantage this year. That didn't discourage them though, because both teams had very impressive records. John Lennon led the 'A' team in scoring, and Jeff Stegeman led the 'B' team. With Coaches Bill Krape and Mark Wortman's concern, respect and understanding, the Freshmen teams had a successful season.

Much of the credit for the development of Heritage's basketball players must go to the coaches. They know when to be patient or impatient, tough, or to the point. They have pursued perfection and their results have been justified by their dedication. The J.V. team this year was coached by Mr. Larry Lienemann. His organized coaching and regular practices, combined with the talent and spirit of the J.V. team, helped create a winning season.

Cagers Prove Abilities

In basketball, not only height and accuracy, but speed and agility are required to make a good ball player. They have to learn to make a fast break down court, jump high for a shot, and select the right play to discourage the opponents defense. The most important qualities required of a player are con-

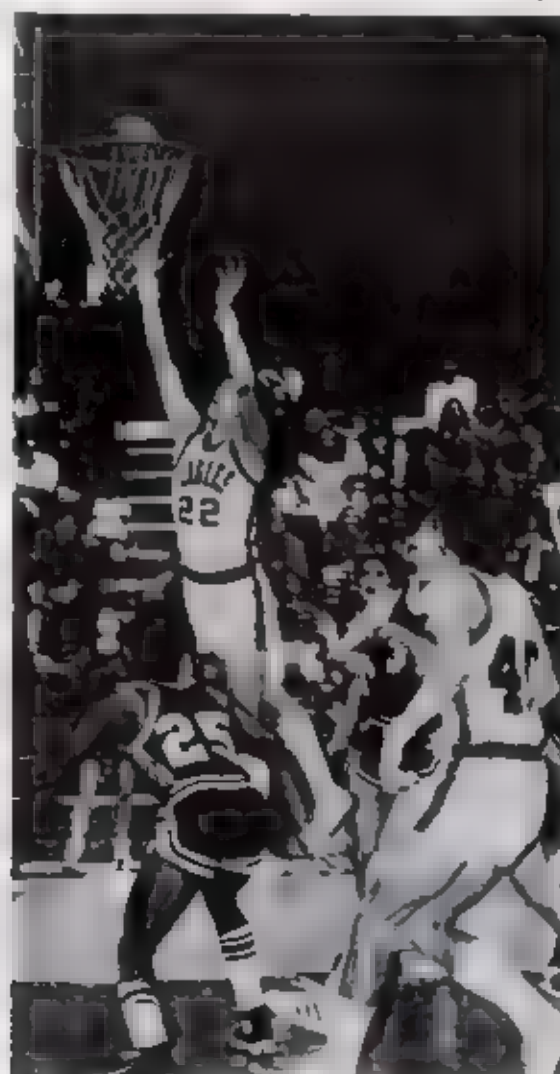

sistency and teamwork for each game.

The Cagers showed many fine abilities this year. They struggled for their victories and learned from their defeats; even when they were down, they never gave up. This year proved to be a good experience for all the play-

Liberty Belles Are Crowd Pleasers

Creating routines, getting up early for morning practice, deciding on costumes and perfecting kicks are among the many responsibilities that are part of being a Liberty Belle. The result of these long preparations was satisfaction gained in a few minutes of performance before an appreciative crowd.

In their fourth year, the Belles continued to improve, showing precision, poise, and imagination in diverse routines. This improvement led to their first state competition, where the Liberty Belles had one of their best performances ever. Miss Kathryn Luhe, the new sponsor this year, provided new ideas and enthusiasm.

4th Centennial League Meet
4th District Meet

a) With a run and a jump, Kit Burger, sr., flies through the air doing a front dive roll. b) Dave Best, sr., uses strength and technique to do a back uprise on the rings. c) Doing a straddle—L on the parallel bars is one of the many stunts that

Sr. John Schasny does in his routine. d) Brian Stapleton, sr., performs what Coach Jim Royce says "is one of the best pommel horse routines in the state."

Participating in regularly scheduled meets is not the only activity the boys' gymnastic team did this year. In addition to their busy schedule of long hard workouts in preseason, they also were included as part of the entertainment provided during basketball halftimes.

The team had many promising gymnasts, among whom were outstanding gymnasts Kit Bunker and John Schasny, srs., who were all-round. The most spectacular stunt performed by a team member was the fliffis, done by John Schasny. The fliffis consists of a double front somersault and a half twist off the long horse vault. Very few people have ever succeeded in doing the fliffis.

With four entrants in each event the team proved to be strong. The wide variety of talent and ages was not only a key factor this year but looks promising for future teams.

BOYS' GYMNASTICS: Bret Ensor, Mike Rasser, Chuck Wagner, Ken Owens, Phil Rasser, Dave McNall, Stan Haag, John Donald, Tom Marks, Rich Brier, Brian Stapleton.

Kit Bunker, George Schroer, Dave Hyde, Lee Crabbe, Dave Best, Paul Bombardier, John Schroer, Drew Schasny, Mitch Trudell, John Schasny, and Rod Schuster.

Track Athletes Prove Abilities

Track is often considered to be one of the most exciting sports because of the variety of events going on at once. Track requires many hours of long, strenuous practice and exhausting workouts to enable the individual to perform his best at every meet.

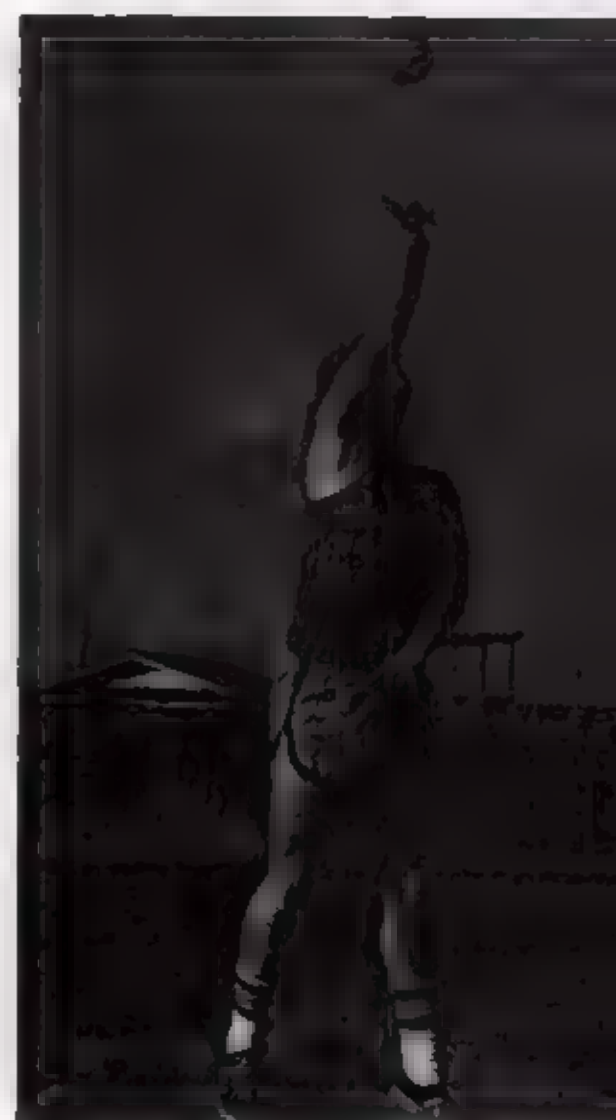

This year, as in others, the Heritage track team was gifted with many outstanding athletes. Among them were

Srs. Gerald Arnold, low hurdles; Matt Freeman, high hurdles; and runners Scott Ferguson and Steve Rinaldo. The Junior class also contributed many excellent participants such as high jumper Dave Stapleton, pole vaulter Bryce Gaeking, and two-mile runner Brad Huhta.

Coach Larry Lienemann was new head coach for the team this year.

Girls Spend Hours Working for Victory

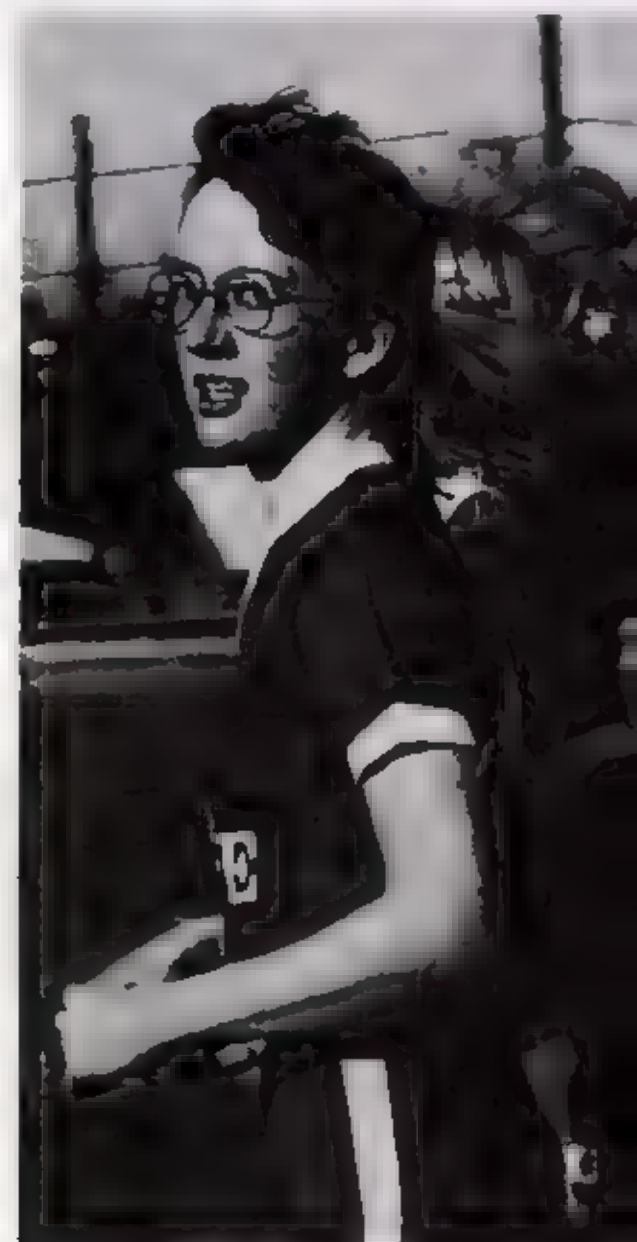

Entering into the season with a positive attitude, the girls' track team spent endless hours working diligently on improving time, form, and distance, only to have their whole performance start and end within a few moments. During this brief showing, the performer is either victorious or defeated; but nevertheless, the girls return to the field after every meet only to have the entire process repeated.

Spring Energy Released By Baseball Season

▲a

▲b

As winter snows subsided, spring fever broke loose in the halls and there was a sudden burst of renewed activity. This energy was put to good use by Coach Ran Railey as the baseball team turned out this spring ready to do battle. With practice beginning on March 1, the players had only 30 days to perfect their game before embarking upon the actual season.

During the season, several players proved to be valuable assets to the team. Senior letterman Mike Murray proved his right to the pitcher's mound, as well as his adeptness in the outfield. Srs. Jeff Newcomer and Dave Gattmann were indispensable in the infield, and Srs. John Lucas and Dave Parker were equally as valuable in the outfield. Sr. Jim Everin did an exceptional job in the difficult position of first baseman, and Sr. T.J. Vandesteeg displayed extreme versatility as a pitcher and outfielder.

Girls Illustrate Combined Skills

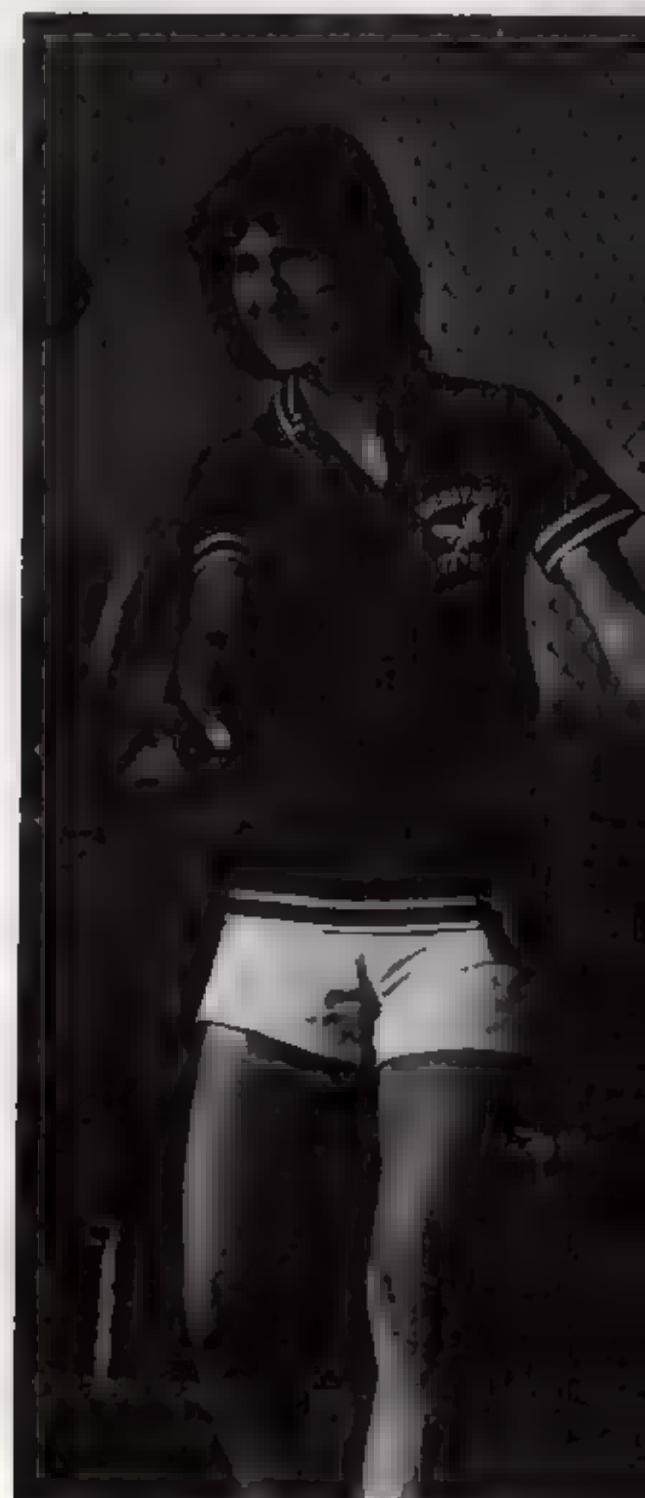

Girls tennis began early in March with girls hoping for warm spring days and an early end to winter. Practice included work on individual perfection and striving for the ultimate combination of skills for doubles competition. Coached by Mrs. Jan Edinger, the girls strived for a successful season and displayed pride and determination for the team. Assistant coaches were Ms. Yvonne Azar and Ms. Cameron MacQuaig.

Academics

Memories are what linger on. Late night cramming and studying until dawn, papers on Shakespeare, computerized programs, downslips, and report cards bring thoughts of hard work and also recall the good times shared with friends.

Students Set and Pursue Goals

In 1876, high school education was carried out in a small, one-room school house. One teacher desperately tried to educate many students of diversified ages and abilities in reading, writing, and arithmetic. A century later, 1976, high school is geared toward each individual's own interests and goals.

Students Prepare for the Future

There are many subjects, ranging from art to calculus, and most courses are taught at several different times by numerous instructors. The students have

the opportunity to arrange their schedules, thus preparing for the future responsibilities they may encounter.

Courses Offer Experience

The classes each individual takes are geared toward his own capabilities, likes, and needs. Some areas, such as SEMBCS (South Eastern Metropolitan Board of Cooperative Services) equip students for jobs during or after high school. This offers on-the-job training

for students. Business Education supplies the students with useful job skills, such as: typing, shorthand, and accounting. STEP (Student-Teacher: Educational Partners) gives students actual experience in the classroom.

Students Develop Talents

▲a

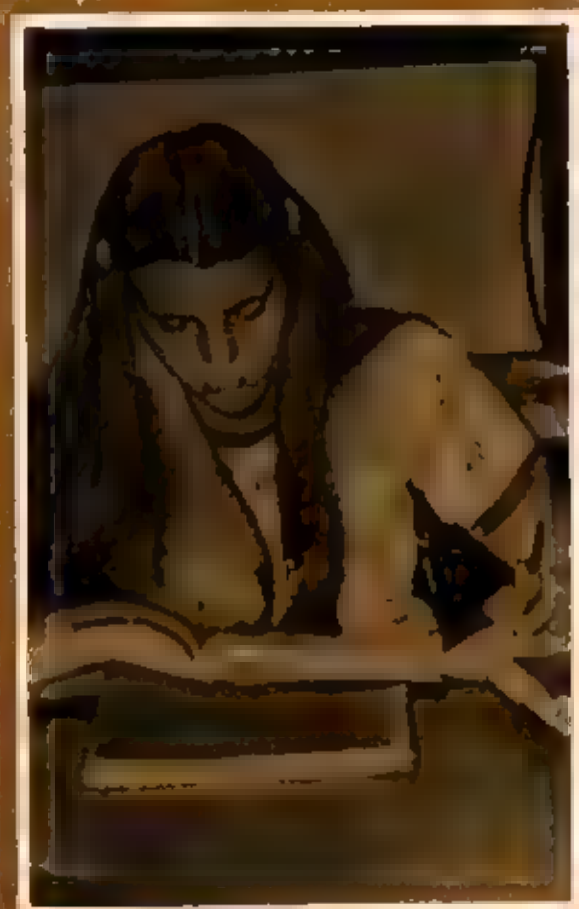

▲b

Heritage has courses for college-bound students, including science and social, physical, and life sciences. The Language Arts department offers everything from Creative Writing to American Literature. Spanish, Italian, French, German, and Russian are offered in the Foreign Language department. Individuals develop their talents and creativity in the Home Economics, Industrial Arts, and Cultural Arts departments.

a) Books and supplies fill the math storage room. b) Sr. Doug Petersen, Matt Freeman, Harold Montoya, and Mike McKenzle take time out to relax in the pit and catch up with the latest news. c) Fr. Cathy Srenkosky work on homework during one of their free hours. d) Mr. Rich Riffel waters the many different types of plants in the greenhouse. e) Jr. Pete Wagener plays the marching tympani, one of the intricate drums, in the Homecoming Parade. f) Sr. Carol Scott spends her free time studying.

Students Use Spare Time

Free or unscheduled periods give the students time to eat, study, talk, or make use of the materials provided by the resource centers. The library is adequately equipped with records, tapes, and magazines for the students' enjoyment. The library, also, provides a quiet atmosphere for the students who spend their precious time, before a test, studying. The outside patio and the pit are ideal places for relaxing and spending time with friends.

Experience Gained, Evaluation Made

Heritage experienced its first evaluation by North Central, and made the highest possible rating of "excellent." This team looked at Heritage in all fields such as: educational beliefs and

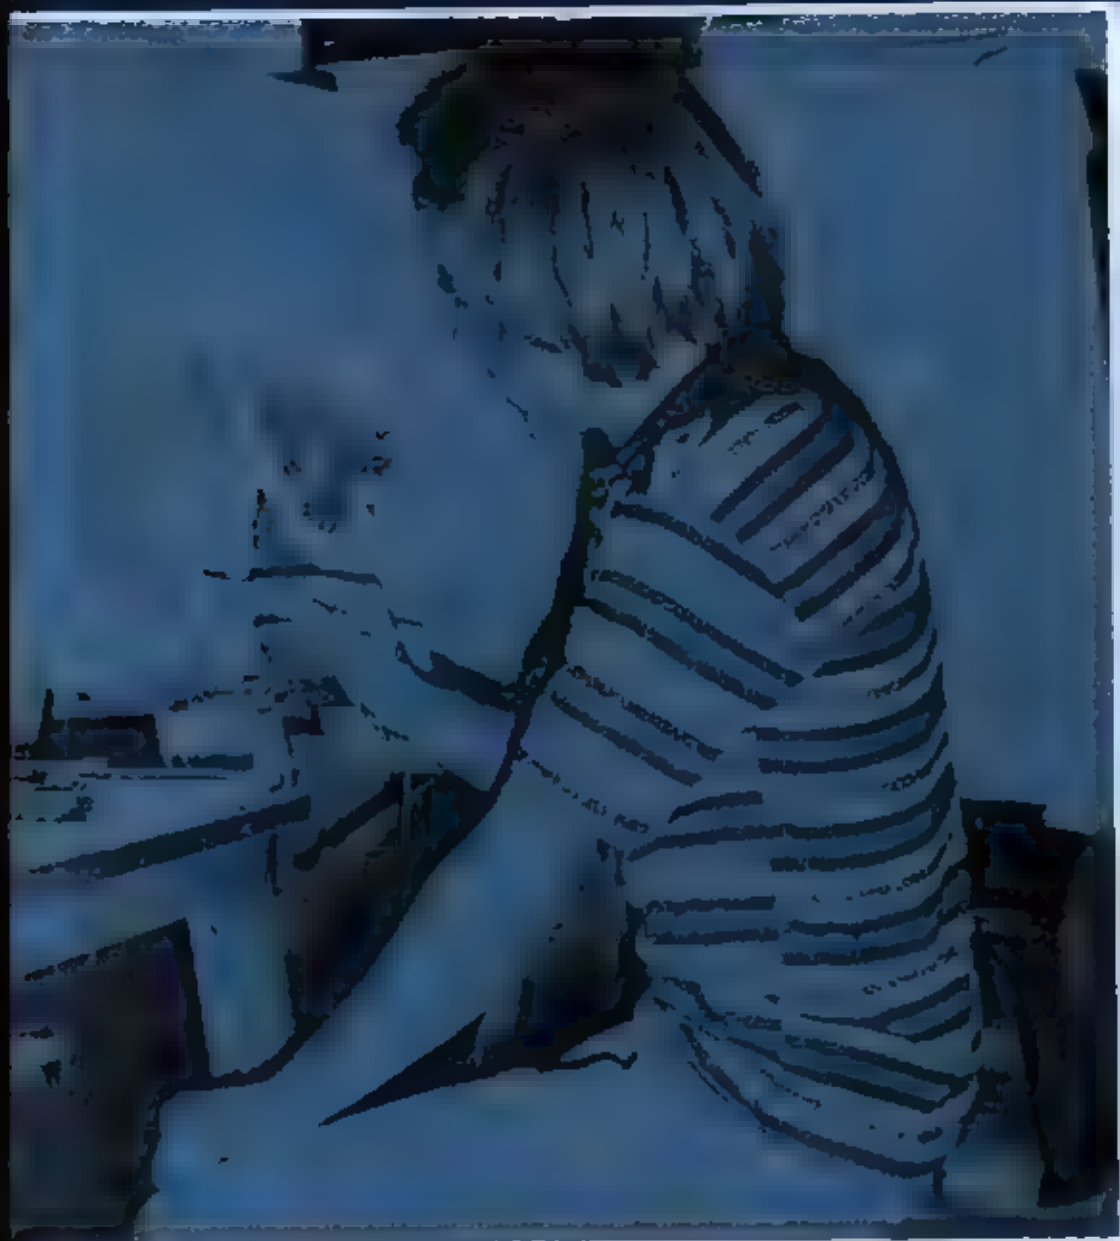

teaching, curriculum, ability to meet the needs of the community and even architectural design. The evaluation was not the only activity which made the '75-'76 school year memorable. Many

departments entered in the celebration of America's birthday. It was time well spent as the bicentennial theme was always present.

Yesterday has become history
Only memories in our mind,
We traveled the road of life
Keyed to the clock of time.
And though I walk this path alone,
There are many who will guide me.
Who will extend a hand when I need it,
Many whom I will never see.
And no matter how long my stay here,
In a way I'll stay forever.
For a little of me I leave here,
And a little of here I take with me.
Through this community I will know,
That friendship
will strengthen me wher'er I go,
And through love I surely will grow,
Because this life demands that it be so.
